

§ 147-45. Distribution of copies of State publications.

The Secretary of State shall, at the State's expense, as soon as possible after publication, provide such number of copies of the Session Laws and Senate and House Journals to federal, State, and local governmental officials, departments and agencies, and to educational institutions of instruction and exchange use, as is determined by the Legislative Services Commission in consultation with the Principal Clerks of the House of Representatives and the Senate. These publications shall be made available in hardbound and electronic format. Each agency or institution entitled to more than one copy shall receive only one of the copies in hardbound format with the remainder in electronic format, unless that agency or institution requests additional hardbound copies from the Secretary of State by August 1 of the calendar year. The Legislative Services Commission, in consultation with the Principal Clerks of the House of Representatives and the Senate, shall determine each year the total number of bound volumes of each publication to be printed and the total number of the electronic copies of each publication to be produced.

Any State agency, department, institution, commission, committee, board, division, bureau, officer, or official that does not receive a copy of the Session Laws may, upon written request from their respective department head to the Secretary of State, and upon the discretion of the Secretary of State as to need, be issued copies of the Session Laws on a permanent loan basis with the understanding that should said copies be needed they will be recalled.
